Survey Results

- As part of the World Heritage Open House, the site for the project was announced and a survey was conducted.
- **What should be the primary purpose? Top 2 Choices**
 - ✓ *Provide information on the history, art, and culture*
 - ✓ *Provide educational opportunities*
- **What type of design will be most useful?**
 - ✓ *Flexible indoor/outdoor shared space*
- ***What should the center convey to visitors?***
 - ✓ *It should honor the legacy of the people and celebrate the area's history, art, culture, and traditions*
